*The national average of 45-46 students per cohort is used to calculate numbers where the planned cohort size is unavailable from developing programs (PAEA report). Many programs do not publish cohort size.

Accreditation Status:

Developing: Not accepting students and are in the active development of a PA program but meet basic accreditation requirements and have been approved by the accrediting body to apply for accreditation.

Provisional: Are planning to enroll students within a year, or have currently enrolled at least the first cohort of students. Provisional accreditation extends throughout enrollment of the first cohort and may last up to 5 years with multiple site visits by the accrediting body.

Continuing: ongoing accreditation for programs that have progressed from provisional status.

Probation: program is not meeting accreditation standards. This status may last for up to two years.

Probation, F: indicates that a program may have a [focused visit](#) prior to its next ARC-PA review
